Purpose

The Excellent Care for All Act requires every health care organization to establish a quality committee responsible for monitoring and reporting on quality issues of the hospital. This committee is a sub-committee of the Board with at least one third of the membership being voting members of the Board.

This committee is responsible to assist the South Huron Hospital Association (the Hospital) Board in the performance of the Board's governance role for the quality of patient care and services, as well as perform functions of the Quality Committee under the ECFAA.

Frequency of Meetings

The Committee shall meet a minimum of four (4) times a year with the primary focus on quality/risk and utilization issues. The Committee will also meet at the call of the Chair.

Responsibilities

To the extent that the Board delegates these tasks to the committee, the Board remains responsible for the oversight and decision-making for the following duties:

1. To monitor and report to the Board on quality issues and on the overall quality of services provided in the health care organization. This includes:
 - Reviewing aggregated critical (level 3 and 4) and near miss incident data at least two times per year and ensuring completion and evaluation of all actions.
 - Considering Medical Advisory Committee's recommendations that relate to systemic or recurring quality of care issues at the hospital.
 - Publically reported patient safety indicators.
 - All other reports and indicators such as balanced scorecards or reports from staff, interdisciplinary Professional Practice Committees or patient safety officers.
 - Utilization numbers for the hospital.
2. To consider and make recommendations to the Board regarding quality improvement initiatives and policies.
3. To ensure that best practice information is shared with Hospital staff and monitor the use of these materials.
4. To oversee the preparation of annual Quality Improvement Plan (QIP). Review the progress on the QIP to ensure goals and objectives are met and direct corrective action.
5. To ensure a quality program is established which monitors quality, risk and utilization of hospital services in compliance with mandated Acts and legislated requirements.
6. Oversee the Hospital's plan to prepare for accreditation, review accreditation reports and any plans required to be implemented to improve performance and correct deficiencies.
7. Review and make recommendations with respect to:
 - Hospital's standards on emergency preparedness
 - policies for risk management related to quality of patient care and safety
 - areas of unusual risk and the Hospital's plans to protect against, prepare for, and/or prevent such risks and services.

Quorum

A majority of voting members.

Reporting

The committee Chair shall report to the Board at each meeting of the Board.

Evaluation

Annually (last meeting of the year) each committee member (both voting and non-voting) will complete the committee self-assessment template (Appendix A). The results of the self-assessment will be utilized to measure and improve committee effectiveness.

The Chair of the committee will receive completed forms and report results to committee members at the first meeting of the year.
