**Posting No:** 2020-47  
**Posted:** September 11 – 21, 2020  
**Reports to:** Site Director / Chief Nursing Executive

**Position Overview:** Are you interested in supporting both the Emergency and Inpatient units in a small and welcoming rural hospital?

**Job Duties:**

- Applies the nursing process and patient- and family-centred care principles in supporting adult and paediatric patients requiring triage and emergency services
- Aligns nursing care with the Code of Conduct and Practice Standards of the College of Nurses of Ontario (CNO)
- Participates in triaging and assessment of Emergency patients
- Completes stocking and cleaning of Workstation On Wheels (WOWs)
- Accompanying patients to tertiary care centres as required
- Performs patient registration and switchboard functions after hours
- Demonstrated commitment to Service Excellence and Patient and Family Centred Care
- Performs a variety of nursing duties in accordance with SHHA Policies and Procedures
- Demonstrates an understanding of and commitment to SHHA's comprehensive safety programs and practices including staff safety, patient safety, environmental safety, infection prevention and control, and participates in regular in-service education in these areas

**Requirements:**

- Current registered member in good standing with the College of Nurses of Ontario
- Flexibility to provide nursing care in both the emergency department and inpatient units
- Recent clinical experience (minimum two years) in Emergency/Critical Care Nursing preferred
- Recent/related courses, in-services in Emergency/Critical Care Nursing
- Recent relevant experience in medical/surgical/palliative nursing

**Experience, Skill and Abilities: (required)**

- Demonstrated competence in emergency nursing practice
- Paediatric and adult assessment, including triage
- 12 lead ECG (cardiac arrhythmia interpretation) Interpretation
- Advanced Cardiac Life Support (ACLS)
- Excellent written and verbal communication skills

- Ability to plan, organize and problem solve
- Demonstrated commitment to Service Excellence and Patient and Family Centred Care
- Ability to work independently, and use critical thinking to solve problems effectively

**Preferred Training: (recommended)**

- Canadian Emergency Department Triage and Acuity Scale (CTAS)
- Trauma Nursing Core Course (TNCC)
- Emergency Nursing Certificate (ENC)
- Emergency Trauma Life Support (ETLS)
- Paediatric Advance Life Support (PALS)/Emergency Nursing Pediatric Course (ENPC)
- Trauma Management
